АПОСТОЛЬСКАЯ НУНЦИАТУРА
В РОССИЙСКОЙ ФЕДЕРАЦИИ

No. 598/21

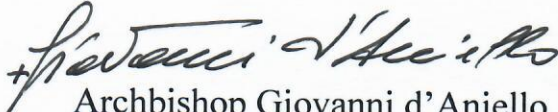

Dear Mr. Santos,

I am glad to acknowledge receipt of your letter of last August, 27, where you kindly presented the Association of the Faithful of the Pontifical Right “Couples for Christ” (CFC), founded and aimed at strengthening and renewal of the Christian family throughout the world.

I have taken a careful note of the documentation on the Association. Sharing and appreciating its purposes and commitments, I have interested the President of the Episcopal Conference of Russia, regarding your request, not failing to highlight the Pontifical approval of the Organization. In fact, as you well know, the coordination of any pastoral activity is of the responsibility of the Ordinary.

Wishing to “Couples for Christ” every God’s blessing and assuring you of my personal prayers, I avail myself of this opportunity to convey my cordial greetings to you, Dear Mr. Santos, and to all your esteemed collaborators.

Sincerely yours in Christ,

Archbishop Giovanni d'Aniello
Apostolic Nuncio to the Russian Federation
